We're delighted to be spending this summer in the company of your young people. The adventure we're about to embark on together is sure to be unforgettable. To make sure you have a great time, here's some important information about how our summer day camps work.

All camps last **5 days**. Our qualified counselors will guide the children in a dynamic, imaginative and educational way, according to the week's theme.

Schedules

Daycare hours

Our daycare hours are from **7 a.m. to 9 a.m.** and from **4 p.m. to 6 p.m.** You must accompany your child to the reception desk in the morning and sign out when you pick him up. Identification or the password chosen at registration will be required.

Regular activities

Regular activities run from **9 a.m. to 4 p.m.** Each morning, the start of activities is preceded by a big get-together with lots of entertainment and fun.

To put in the backpack

- ✓ Sun cream
- ✓ Hat
- ✓ Mosquito repellent
- ✓ Water bottle
- ✓ Complete change of clothing
- ✓ Closed shoes or sandals (no flip-flops)
- ✓ Bathing suit
- ✓ Beach towel
- ✓ Raincoat and rain boots
- ✓ Cold lunch with Ice Pack and 2 snacks

Lost objects

We strongly suggest that you identify all your child's clothing and belongings. However, please note that we will collect all lost items in a special bin on the camp site. Unclaimed lost items will be donated to charity 30 days after the end of camp. Base de Plein Air Jean-Jeune is not responsible for lost or stolen items.

Sécurité and absence

If you need to arrive later or leave earlier than regular activity times, it's important to let us know. You can notify us by phone, at the camp site reception desk or by leaving us a note signed by your child. If your child must leave alone or with another person not on our records, you must complete a transfer of responsibility form. If we do not have this authorization, we will not be able to let your child go. Departures before 4:00 p.m. greatly disrupt camp activities. If you plan to pick up your child before the end of activities, please notify the secretary's office in advance.

In the event of late arrival (after 6 p.m.), please call the secretary's office to let us know.

A fee of \$1.00 for each minute your child is late will be charged after 6pm.

Food

There is no refrigerator or microwave oven on site. Your child will need to bring a lunch and snacks that can be stored in a bag or insulated container. Pay particular attention to any products containing **kiwis, peanuts or nuts. THEY ARE FORBIDDEN AT CAMP.** Some campers have severe allergies.

Medication

If your child needs to take medication during camp hours, you must give it to the camp leader. If the medication is not listed on the medical form, it is important to sign a medication authorization form (see the camp director). **The medication must be in its original container, clearly indicating the child's name, the name of the medication, the expiry date, the dosage and the duration of treatment.**

Does your child have an allergy requiring EPIPEN? Your child must carry his or her own EPIPEN, clearly identified with his or her name, and wear it at all times. When swimming, your child's activity leader will make sure he or she is in a safe place.

Facebook and website

Check out our Facebook page for photos and videos of camp life.

Swimming

Swimming is available daily in the afternoon at a municipal pool near the day camp site. All children aged 7 and under must wear a personal flotation device. Children aged 8 and over must take a swim test on the first day of swimming with a qualified lifeguard.

First day of camp

Every Monday, plan to arrive 15 to 20 minutes earlier than your usual time, then present yourself with your child, his or her belongings, medication (if necessary) and a recent photo at the daycare welcome table. This will allow you to meet your child's caregiver and validate his or her health record.

Please take the time to check your child's medical information, as well as the persons authorized to pick up your child. Once verified, you'll need to sign your child's form. Your child will be assigned a box or shelf where he or she can put his or her belongings. Make a note of the location so that you can retrieve all your child's belongings at the end of the day.

On his or her first day of camp, your child must have a recent photo of himself or herself.

Programming

You'll find the activities for each day on the camp bulletin board. Check the bulletin board for the next day's activities! Specialized activities take place from 9 a.m. to 12 p.m., 4 days a week. Activities are subject to change without notice and depending on the weather.
